Balancing the Budget **for a Stronger America**

“The Republican budget earned my vote because it offered positive solutions that create a healthier economy today and greater economic opportunity tomorrow. The House Majority’s budget is a responsible alternative to the President’s plan.

Our budget balances in less than ten years and is in sharp contrast to other options that never balance.”

FIGHTING FOR YOUR FUTURE

**“Northeast Florida families balance their budgets,
Washington should do the same with its budget.”**

—Rep. Ander Crenshaw

I voted to pass the “Balanced Budget for a Stronger America” because it balances the budget in less than 10 years without raising taxes. The President’s budget raises taxes by \$2.1 trillion!* It will never balance. The Republican Budget also:

- Repeals Obamacare and starts over
- Cuts \$5.5 trillion in spending and calls on Congress to pass a Balanced Budget Amendment to the U.S. Constitution
- Calls for consideration of a simpler, more transparent tax code, like the FairTax
- Ensures a strong national defense

* House Budget Committee estimates

A growing national debt puts our economy at risk, our safety as well.
